

To the  
European Confederation of Psychoanalytic Psychotherapies

Vienna, October 30<sup>th</sup>, 2019

## C O N F I R M A T I O N

The European Association for Psychotherapy (EAP) herewith confirms that the European Confederation of Psychoanalytic Psychotherapies (ECP) has been re-accredited as European Wide Awarding Organisation (EWA) in February 22<sup>nd</sup>, 2018 in Vienna.

As an EWA, the ECP is *the* modality body for matters relating to psychoanalytic psychotherapy and is authorised to endorse applications for the European Certificate of Psychotherapy”

The next re-application will be due in 2025.

Sincerely Yours

Eugenijus Laurinaitis  
EAP General Secretary
